

DO YOU WANT TO COME TO THE NATIONAL ENCAMPMENT OF THE

GRAND ARMY OF THE REPUBLIC?

IF SO, The National Tribune WILL PAY YOUR WAY.

A First-Class Round-Trip Ticket Easily Obtained.

The coming National Encampment at Washington, D. C., will undoubtedly be the greatest in the history of the Grand Army of the Republic. There will come to it tens of thousands of comrades who have never before been to a National Encampment, and who will meet there those they have not seen since the close of the war. They will come for the purpose of meeting their old comrades, and going with them once more over the well-remembered camps and battlefields. They will bring their wives and children with them. All the old Commanders who are able will be present. It will be the greatest event in the history of the volunteer soldiery since the close of the war. Everybody who wore the blue will want to come, and also his wife, sons and daughters.

WE WANT TO HELP THEM COME, AND WE WILL MAKE THE FOLLOWING EXTRAORDINARY OFFER:

We will furnish a Round-Trip Ticket, from any of the points named below, to Washington and return—during the National Encampment season—for a club of new subscribers, of the number specified. That is to say:

WATCHES REDUCED.

An Opportunity for Our Subscribers
to Take Advantage of
Cut Prices.

The Elgin and Waltham Companies have announced this week an important reduction in their most popular grades of Ladies' Watches. This will be the first announcement of the fact which thousands of jewelers in the country will receive. Many of them will not be very prompt in announcing the reduction, on account of its bearing upon stock they are carrying. We take the first opportunity to inform our subscribers of the fact, and to give them a chance to buy watches under it. In our opinion this reduction cannot be permanent, and should the manufacturers again put the price back we must, of necessity, follow suit. We therefore advise prompt action, as we must reserve the right to withdraw the offers at any time without previous notice. We believe, in point of fact, that "rock bottom," so to speak, has been more than reached in these standard goods.

Special Offer No. 14, Ladies' Size.

ELGIN'S PRIDE.

Offer No. 102.

THE NATIONAL TRIBUNE offers to its subscribers the most beautiful watch to be found in the market. The case is made of solid gold, reinforced and stiffened with the finest filling metal yet discovered. In this way a case is obtained which is superior to a solid gold case. This case is guaranteed to wear 15 years, and with

any decent usage will wear just like solid gold for from 25 to 30 years. It is full engraved with an intricate design of classic delicacy. It is elaborated over back, front and center, giving this timekeeper a gorgeous and unique appearance of which no adequate impression can be conveyed by a mere description and newspaper cut, which, of course, fails to show the rich arrangement of color as well as form which conduces to the artistic effect obtained. The movement (commonly called works) is magnificently jeweled according to the most scientific principles, and the patent pinion and compensation balance are made of highly tempered steel. The dial or face is enameled and set with gold, and the hands are made of solid rolled gold plate, spun and wrought to the fineness and delicacy of antique lace. Since it is the latest and most satisfactory product of the great Elgin factory, it has been fittingly named "Elgin's Pride." The loyal subscribers to THE NATIONAL TRIBUNE deserve the handsomest watch in the world, and we are determined that they shall have it. This will undoubtedly prove a fortunate speculation for many of our subscribers, because such a watch readily yields a handsome profit over what we sell it for in cash or exchange. We guarantee that it contains the chief features of the most expensive watches. Don't write and ask if it is a genuine Elgin. We guarantee it, and that's enough. Your jeweler when he first gets hold of this watch six months hence will charge you from \$30 to \$50 for it. We give you the benefit of our great discount, and charge you, including free delivery, only \$15.

It will be noticed that around the figure in the picture of the dial there are dark lines. These are tracings of pure gold which appear upon the highly-polished face of the white porcelain dial.

POINTS TO REMEMBER.

THE NATIONAL TRIBUNE is one of the largest dealers in Waltham and Elgin Watches. It sells only the Latest and Best Watches made by these famous companies. This offer is primarily for the benefit of veterans, and we wish to have them make all the money they can by selling these Watches.

Waltham and Elgin Watches are unquestionably the best in the world, and we guarantee satisfaction in every case.

No Watches sent C. O. D. No samples sent out. Always mention number of offer, and state whether you wish a Waltham or Elgin. If you are an already subscriber, send \$1 in addition to the purchase price of the Watch desired. All the Watches we offer are stem winders and setters.

OUR BARGAIN COUNTER!

A "SPECIAL ADVANTAGE" OPPORTUNITY FOR HOUSEKEEPERS.

THE ONE CHANCE OF A LIFETIME TO BUY SILVERWARE AT
A FRACTION OF THE ORIGINAL COST.

WE ONLY SHOW A FEW OF THE PIECES, BUT THEY
ARE ALL OF THE SAME DESIGN.

THE NATIONAL TRIBUNE is always on the watch for something to benefit its subscribers. We have just bought outright an immense stock of silver-plated tableware at prices below the cost of production. We took advantage of the opportunity afforded by the retirement from business of an Eastern merchant who changed his line of business so that he desired to go out of the silverware trade. After examination as to the quality and character of his stock, we decided to purchase it all in a lump. The profit which he had made on his retail business was such that he was willing to sell the entire remainder at a price which was only a fraction of what he had paid. Pursuant to our policy to handle goods of this class without reference to profit to ourselves, but merely to demonstrate the advantage to everybody to keep their place on our subscription list, we took it all for spot cash and now offer it.

It will be apparent to everyone that when this stock is gone we must withdraw this offer. We give this as a warning to all that we must necessarily proceed upon the policy of "first come first served."

These goods embrace a medium-sized Spoon, a Cream-Ladle, Sugar-Tong, Salt-Spoon, Pickle-Fork, two-tined Pie-Fork, four-tined Pie-Fork, four-tined medium Fork, Mustard-Spoon, Butter-Knife.

All of these goods are of Heavy Silver-plate of the standard quality upon a base of compound white metal of exactly the same color as silver, so that if, after years of wear, the silver should disappear in spots the base metal could not be detected, owing to similarity in color and quality.

We will deliver these goods by mail to any subscriber upon the following terms:

Lot No. 1.

Half-dozen Medium Spoons.
One Pickle-Fork.
Half-dozen Medium Forks.
One Butter-Knife.
One Sugar-Tong.
Half-dozen Extented Pie-Forks.
One Mustard-Spoon.
Half-dozen Salt-Spoons.
One Cream Spoon.

We will send a full set of above articles, delivered free, for \$5.00.

The ordinary list-price of this lot is \$20.

Lot No. 2.

One Butter-Knife.
One Sugar-Tong.
One Cream-Ladle.
One Pickle-Fork.
One Mustard-Spoon.

Delivered free \$1.50.

All of these articles are made in the latest designs, and finished in the most artistic manner. We warrant these goods to be first-class silver-plate in every particular. There is nothing cheap about them but the price.

We wish to impress our readers with the fact that there will be no time for correspondence, and hesitation, because with our vast number of subscribers, who will snatch at this opportunity, this stock will last but a few days. When this stock is gone we cannot duplicate it. Every piece in it is a "bargain."
